11. [] Received a call from Raymond O'Neill, Air Force Security Management Group, concerning the levels of briefing to be provided Senator Stuart Symington and the escort officers in the Senator's forthcoming world-wide trip. I told Mr. O'Neill there is no way of knowing at this time what level of briefing would be provided by the Agency. It has not been determined whether briefings will be provided solely for the Senator or whether the Senator will desire Mr. Kuhl and Colonel Anderson to be in attendance. I told him Kuhl holds the necessary clearances for attendance. O'Neill thanked me for the information and said he would be back in touch, probably during the day tomorrow.
